1209 Richmond Ridge is a masterpiece of design and comfort featuring a rare 3-car garage. Boasting a thoughtfully planned layout, this immaculate two story home, located in the coveted Richmond Place, is a haven of luxurious living. The heart of the home is unveiled in the huge, open great room, complemented by a formal dining room and a kitchen adorned with custom cabinets and granite countertops. The oversized owner's suite redefines indulgence with a sitting area, his/hers closets, and a luxurious owner's suite bathroom. Ascend to the upper level, where secondary bedrooms and a sprawling bonus room await. With newer hardwood flooring, this 4-bed plus bonus home is a testament to refined living. Summer fun awaits in the community pools! Welcome home to the Camden, where elegance meets functionality in the heart of Richmond Place.
